

Data Sheet	
Product	Unique McD (OWA item no. 00074761)
Material	Ceiling tile produced from bio-soluble mineral wool, free of asbestos and produced without formaldehyde. 100 % recyclable 
Colour	Natural surface with varying grey tones* (visible side of suspension system similar to RAL 7030)
Reaction to fire	A2-s1,d0 (EN 13501-1)
Thickness	15 mm nom. (OWAcoustic® premium)
Edge	
Dimension	1200 x 600 mm
Sound absorption**	$\alpha_w = 0,65$ NRC = 0,70 SRA = 0,75
Sound reduction***	$D_{n,f,w} = 29$ dB CAC = 31 dB
Resistance to fire***	up to REI 90 (EN 13501-2)
Humidity resistance	up to 90 % RH
DIN 18177	Class FH I / TVOC I / PM I
Coeff. of Thermal Conductivity	0.057 W/mK
Environmental protection	ISO 14001-2003

* Irregular appearance, material and colour differences on the surface are intended.

** Suspension depth 200 mm | *** Dependent on system, soffit and other additional measures

Amorbach, July 2017
